I think I have just lost (0) sister's MP3 player. She (1) given it as a present just (2) few weeks ago. I know I had it (3) 4.00 p.m. on Saturday before we went into the cinema with Jason. Have (4) seen it anywhere, Lizzie? It's got a green case which says 'Made (5) Portugal' on it.

Don't worry! Jason (6) got it. He found it in his dad's car after they (7) us home. I'm going (8) meet Jason later. Shall I get the MP3 player from him? Then I can bring it (9) we see each other tomorrow. Is that OK? Please call (10) text me.
