1. Large animals, like tigers and bears, need to be trained ***when*** they are still very young.

2. Though large, trained elephants are obedient. They will usually go ***wherever*** they are led.

3. ***Whenever*** some has an unusual pet, serious problems can arise.

4. ***Whenever*** you see a cat flatten its ears, you should assume it's upset.

5. ***Where*** my sister and her family live now, tenants aren't allowed to have pets.

6. ***Whenever*** *a messenger pigeon is taken somewhere and released, it almost always find its way home.*
