

Name : _____

Fact Family - Addition & Subtraction

Sheet 1

Fill in the missing numbers to complete each fact family.

1)

5	
1	4
$\boxed{1} + 4 = 5$	
$4 + 1 = \boxed{5}$	
$5 - \boxed{4} = 1$	
$5 - 1 = \boxed{4}$	

2)

14	
5	9
$5 + \underline{\hspace{1cm}} = 14$	
$\underline{\hspace{1cm}} + 5 = 14$	
$14 - 9 = \underline{\hspace{1cm}}$	
$\underline{\hspace{1cm}} - 5 = 9$	

3)

19	
11	8
$11 + 8 = \underline{\hspace{1cm}}$	
$8 + \underline{\hspace{1cm}} = 19$	
$\underline{\hspace{1cm}} - 11 = 8$	
$19 - \underline{\hspace{1cm}} = 11$	

4)

20	
18	2
$18 + 2 = \underline{\hspace{1cm}}$	
$2 + \underline{\hspace{1cm}} = 20$	
$\underline{\hspace{1cm}} - 2 = 18$	
$20 - 18 = \underline{\hspace{1cm}}$	

5)

9	
2	7
$\underline{\hspace{1cm}} + 2 = 9$	
$2 + 7 = \underline{\hspace{1cm}}$	
$9 - \underline{\hspace{1cm}} = 2$	
$9 - \underline{\hspace{1cm}} = 7$	

6)

18	
3	15
$3 + \underline{\hspace{1cm}} = 18$	
$\underline{\hspace{1cm}} + 3 = 18$	
$18 - 15 = \underline{\hspace{1cm}}$	
$\underline{\hspace{1cm}} - 3 = 15$
