Hello, my name is Anne. I am 9 years old. I am from England. I am skipping in the picture.

I am young and beautiful. I am tall and thin. I have got big, brown eyes and long, wavy, ginger hair. I have got a big nose and small ears. I haven't got earrings or glasses. I am wearing a pink dress and brown shoes.

In my free time, I like playing chess with my friends, but I don't like surfing in the sea.

Every summer, I go to the seaside with my family and I swim in the sea with my dad. I love it! My mum doesn't like swimming, so she stays with my little brother on the towel making sandcastles. I really enjoy summer!
