

Writing worksheet n°4

Eating meals with other people is fun!

Let's read Ania's post and do the activity below.

I like eating meals with my family and friends. In the morning, I always have breakfast with my sister.

We have cereal with milk, then toast and jam. I drink a glass of orange juice.

I have lunch at school with my friends. There's always some hot food, but I often have sandwiches and some fruit. I like oranges and pineapple, but I never eat grapes.

In the evening, I eat with my family. My grandma always cooks dinner. She makes delicious chicken curries. When it's my birthday, Grandma asks me, 'What would you like to eat? I always say, 'Fish and chips, please.' It's my favourite dish.
