

Vocabulary Quiz #1

Learning target: *I can determine how an affix (prefix/suffix) affects the meaning of word.*

Directions: Read the text in the rectangle below. Then answer the questions.

Ms. Martin was trying to teach a grammar lesson, but her students were using their phones nonstop. She repeated the directions, but still, nobody responded. Finally, she decided to stop teaching and give her uncooperative students a quiz.

After school, when she graded the quizzes, she saw that most students misunderstood the lesson. The next day, she said, "You will all need to re-take this quiz! But first, stop misbehaving and listen to my lesson!" The students apologized for disrespecting her, and they listened very attentively for the rest of the day.

1. In your own words, explain **why Ms. Martin was upset** in paragraph one.

2. Ms. Martin made her students **re-take** the quiz. What does **re-take** mean? _____

3. At the end of this story, the students changed their actions. **What did they do differently?** Explain in your own words (**not** copied exactly from the text).

At the end of the story, the students _____

4. When you are older, do you think you would be **able** or **unable** to be a teacher? Explain your answer in a complete sentence.

I think I would be _____ to be a teacher because
