AirTrain JFK Questions & Answers

●●●●● 1,717 Reviews Ranked #102 of 126 Attractions in Jamaica

Nelson, United Kingdom

I'm considering catching the Airtrain from JFK to N. Y. in April. Does it go from the airport to midtown Manhattan where my hotel is or do I have to change onto the subway system? Also does the ticket include the return ride?

Thanks in advance!

You must go to Jamaica Station and catch the train to Penn Station, Manhattan Midtown (below Madison Square Garden). Have a nice trip!
