

## Tens and Units

Write how many tens and units.

Then write the whole number.

$$= \underline{1} \text{ tens } \underline{3} \text{ units } = \underline{13}$$

$$= \underline{\quad} \text{ tens } \underline{\quad} \text{ units } = \underline{\quad}$$

$$= \underline{\quad} \text{ tens } \underline{\quad} \text{ units } = \underline{\quad}$$
