

看图输入正确的形似字 (爱、受)

1)

|                                                                                   |   |
|-----------------------------------------------------------------------------------|---|
|  |   |
|                                                                                   | 心 |

4)

|                                                                                   |  |
|-----------------------------------------------------------------------------------|--|
|  |  |
| 接                                                                                 |  |

7)

|                                                                                     |   |
|-------------------------------------------------------------------------------------|---|
|  |   |
|                                                                                     | 苦 |

2)

|                                                                                   |   |
|-----------------------------------------------------------------------------------|---|
|  |   |
|                                                                                   | 伤 |

5)

|                                                                                   |  |
|-----------------------------------------------------------------------------------|--|
|  |  |
| 喜                                                                                 |  |

8)

|                                                                                     |   |
|-------------------------------------------------------------------------------------|---|
|  |   |
|                                                                                     | 护 |

3)

|                                                                                   |   |
|-----------------------------------------------------------------------------------|---|
|  |   |
|                                                                                   | 好 |

6)

|                                                                                   |  |
|-----------------------------------------------------------------------------------|--|
|  |  |
| 感                                                                                 |  |
