When I was young, we never used the word recycling. It wasn't **1ainmrtopt**. People would think you were **2zyrca** for recycling things. Today, things are **3frtfinede**. We now know we have a problem. We use too much stuff and throw everything away. Lots of the stuff we **4rotwh** away is very useful. It can be used again, recycled. This is good for the environment because we use fewer **5ulrtana** resources. I love recycling. It makes me feel as though I'm **6hilgpen** the Earth. I even buy things like used furniture and clothes. This also **7clesecyr**. Some of the countries I've lived in are **8txerpes** at recycling. There are giant **9tbeolt** banks at the end of the street and places to leave newspapers, clothes, **10rabisetet** and metal.
