PEOPLE AND RELATIONSHIPS

I Match the relationship words to their definitions.

1 Acquaintance	**a** A really good friend.
2 Boyfriend / girlfriend	**b** Somebody that lives next to you.
3 Classmate	**c** A friend that you've known for a long time.
4 Close friend	**d** Somebody in your class at school.
5 Enemy	**e** Somebody that you communicate with on the internet.
6 Friend of a friend	**f** Somebody that comes to your home to visit.
7 Guest	**g** A member of your family that doesn't usually live with you.
8 Neighbour	**h** Somebody you're having a romantic relationship with.
9 Old friend	**i** A friend's friend, not your friend.
10 Online friend	**j** Somebody that plays for the same team as you.
11 Relative	**k** Somebody that you know a little, but not a good friend.
12 Team-mate	**l** The opposite of a friend.

II Think of someone for each of the relationship words from the previous exercise, and write the name of the person.

E.g. *Gerry Denis is a close friend.*
