My brother lives in a flat in the city centre on the ground (1) **block / floor**. The flat is nice but it's really (2) **huge / tiny** – only 26 m²! It's got one larger room, which he uses as the bedroom, a living room and a kitchen. The kitchen section has a cooker, a fridge and a small (3) **sink / lounge** to wash the dishes. There's not much furniture in the room, either, just a sofa, a coffee table and a (4) **chest of drawers / basin** where he keeps his clothes.
