Hi,

I'm Penelope and I'm twelve years old. I'm from Spain. My hobby is collecting glasses. I've got a great collection of glasses. I've got glasses from all over the world! I've got them in all different colours, too. My favourite glasses are from Italy. They're pink, my favourite colour!

I like glasses because I can wear them every day! I'm really proud of my collection. What about you? Have you got a collection?
