

LET'S REVIEW

Use of English

1. Read the text and decide which answer (A, B or C) best fits each gap. There is an example at the beginning.

Our favourite sounds

Is there anything more (0) *reassuring* than the sound of rain lashing against the windows? Or more (1) than a baby's laugh? According to some new research, these are some of our favourite sounds. But as you may have guessed, (2), there is nothing we love more than the (3) sound of waves crashing against rocks. Fireworks, walking on snow and cheerful screams from people on a rollercoaster were also high in the (4) The reason for the popularity of many of these sounds is that they are associated with happy memories or the (5) of something good to come. The sounds around us create atmosphere and emotion as (6) as any other sense and that shared sense of exhilaration that comes from going to a football match or theme park can be (7) to any memorable experience. The survey also revealed the sounds that we loathe. (8), the noise that makes us shudder the most is the sound of nails being scraped down a chalkboard.
