A fall at work

Add conjunctions in the gaps:

And – but – so - because

I was crossing Prah Road ____ there was a hole in the road ____ I did not see it.

I stepped in the hole ____ I fell over ____ I twisted my ankle.

A man and a woman helped me to get up ____ my ankle hurt a lot ____ I could not stand on it.

Someone brought me a chair ____ a first aider came from college.

They brought a wheelchair ____ they took me to class.

I was able to go home ____ my manager got me a stick.

I got a bandage for my ankle ____ I was able to go back to work the next day ____ my ankle hurt for a few weeks.

Have you had an experience of falling, tripping or slipping in the street? Did you ask for compensation?
