

A fall at work

Add conjunctions in the gaps:

And – but – so - because

I was crossing Prah Road there was a hole in the road I did not see it.

there was a hole in the road

I did not see it.

I stepped in the hole I fell over I twisted my ankle.

I fell over

I twisted my ankle.

A man and a woman helped me to get up my ankle hurt a lot I could not stand on it.

Someone brought me a chair a first aider came from college.

I was able to go home my manager got me a stick.

I got a bandage for my ankle I was able to go back to work

my ankle hurt for a few weeks.

Have you had an experience of falling, tripping or slipping in the street? Did you ask for compensation?
