

Module 1: My School

Mark

I usually go to school on foot. Our first class is at 8:50 and our last lesson is at 3:20, but I usually stay after school and play sport or do drama. I love my after-school activities! My favourite lesson is Maths. I like numbers a lot! My school is small so lunchtime isn't busy and there's normally extra dessert! On Thursday afternoons, I have Geography with my favourite teacher, Mrs. Gallen. She brings things from all over the world to show us. I love my school!

Jeff

I go to school in a big city. My sister and I go by car and we are usually there by 9:00. I have 5 lessons every day and a lunchbreak. On Tuesdays, at 9:00 I have a History lesson, with Mr Davis. We do a lot of projects in his class and he puts all of them on the walls. I like Science the most because we do experiments. For lunch I usually have my mum's tasty sandwiches and then I play football. I like all my teachers, but my English teacher, Mr Tims, is my favourite because he helps me when I don't understand something.

Jeremy

I live in a small town by the sea. When I walk to school in winter it's quiet, but in summer it's really busy! My school day starts at 8:45 and finishes at 3:15. Sometimes I go to school at 8:15 and have breakfast in the canteen. I like Mondays because I have ICT. I really enjoy learning about computers and how to use them. Our ICT room is next to the canteen which means we get there first for lunch. This year, we've got a new Art teacher. His name is Mr Waters and he also coaches the football team. He's very nice and I like him a lot.
