

# Do What You Can

Bon Jovi

Tonight they're shutting \_\_\_\_\_ the borders  
And they boarded up the \_\_\_\_\_  
Small towns are rolling up their sidewalks  
One last paycheck coming \_\_\_\_\_  
I know you're feeling kind of nervous  
We're all a little bit \_\_\_\_\_  
Nothing's the same, this ain't a game  
We gotta \_\_\_\_\_ it through  
As we wave outside the window  
Older loved ones stay \_\_\_\_\_  
Moms and babies blowing kisses  
May be saving someone's life  
They had to cancel \_\_\_\_\_  
It ain't fair to Skype the prom  
Our kids sit home in \_\_\_\_\_  
TV news is always on  
When you can't do what you do  
You do what you can  
This ain't my \_\_\_\_\_, it's just a \_\_\_\_\_

I'm wanting to send

'Round here, we bend but don't \_\_\_\_\_  
Down here, we all \_\_\_\_\_  
When you can't do what you do  
You do what you can  
The chicken farm from Arkansas  
Bought workers PPE  
Not before 500 more  
Had succumbed to this \_\_\_\_\_  
Honest men and honest women  
Working for an honest \_\_\_\_\_  
I got a hundred point one fever  
And we still got \_\_\_\_\_ to pay  
When you can't do what you do...

They built a \_\_\_\_\_ on East Meadow  
In Central Park last night  
Doctors, nurses, truckers, grocery store  
Clerks manning the \_\_\_\_\_ lines  
I saw a Red Cross on the Hudson  
They turned off the Broadway lights

Another \_\_\_\_\_ screams by (screams by)

If by the grace of God, go I

Although I'll keep my social \_\_\_\_\_

What this world needs is a \_\_\_\_\_

Until we find the vaccination

There's no \_\_\_\_\_ for love

So love yourself and love your family

Love your neighbor and your friend

Ain't it time we loved the \_\_\_\_\_

They're just a friend you ain't met yet

When you can't do what you do...
