

WHAT TIME IS IT?

1) Look and read. Choose, drag and drop the time under the right clock.

It's five twenty.

It's six five.

It's eleven ten.

It's six thirty.

It's eight fifteen.

It's three o'clock.

2) Look and read. Write the missing numbers to tell the time.

It's o'clock.

It's ten

It's eleven

It's twelve
