

We normally use *do* or *did* in questions.

*Where do you live?*

*What did you eat yesterday?*

However, we don't use *do* or *did* if the question word (*who*, *what*, etc.) is the subject. Look at these questions:

Subject: *Who* helped you? *My mum* helped me.

Object: *Who* did you help? I helped *my sister*.

## 2 Choose the correct words to complete the questions.
