Ex. 2 Match the school subjects with the descriptions.

In this subject, we ...

1. study how the human body works.
2. learn about important events that happened in the past.
3. do experiments with chemicals.
4. draw and paint.
5. learn about acting and put on plays.
6. learn about different countries around the world.

7. read books, plays and poetry.

8. learn about electricity and magnetism.

9. sing and play instruments.

10. learn how to speak another language.

11. add, subtract, multiply, and divide.

12. do sport and exercise.
