**1. Listen to the song and complete the lyrics:**

|---|---|
| | You know it can get hard sometimes<br>It is the only thing that makes us feel alive<br><br>But it's the only thing that I know<br>When it gets hard<br><br>Loving can hurt<br>Loving can hurt sometimes |
| | Hearts are never broken<br>Times forever frozen still<br><br>We keep this love in a photograph<br>We made these memories for ourselves<br><br>Where our eyes are never closing |
| | Of your ripped jeans<br>Holdin' me closer<br>'Til our eyes meet<br><br>So you can keep me<br>Inside the pocket<br><br>You won't ever be alone<br><br>Wait for me to come home |

| | And it's the only thing that I know (know)<br><br>I swear it will get easier<br>Remember that with every piece of ya<br><br>And it's the only thing we take with us when we die<br><br>Loving can heal<br>Loving can mend your soul |
| | Where our eyes are never closing<br>Hearts were never broken<br>Times forever frozen still<br><br>We made these memories for ourselves<br><br>We keep this love in this photograph |
| | Holdin' me closer<br>'Til our eyes meet<br><br>You won't ever be alone<br><br>So you can keep me<br>Inside the pocket<br>Of your ripped jeans |
| | And if you hurt me<br><br>That's OK, baby, only words bleed<br>Inside these pages you just hold me<br>And I won't ever let you go<br><br>Wait for me to come home *[4x]* |
| | Next to your heartbeat<br>Where I should be<br>Keep it deep within your soul<br><br>Oh you can fit me<br>Inside the necklace you got when you were 16 |

| | And if you hurt me<br>Well, that's OK, baby, only words bleed<br><br>Inside these pages you just hold me<br>And I won't ever let you go |
| | Under the lamppost<br>Back on 6th street<br><br>Hearing you whisper through the phone,<br>"Wait for me to come home."<br><br>When I'm away<br>I will remember how you kissed me |
