

ED SHEERAN - PHOTOGRAPH

1. Listen to the song and complete the lyrics:

	<p>You know it can get hard sometimes It is the only thing that makes us feel alive</p> <p>But it's the only thing that I know When it gets hard</p> <p>Loving can hurt Loving can hurt sometimes</p>
	<p>Hearts are never broken Times forever frozen still</p> <p>We keep this love in a photograph We made these memories for ourselves</p> <p>Where our eyes are never closing</p>
	<p>Of your ripped jeans Holdin' me closer 'Til our eyes meet</p> <p>So you can keep me Inside the pocket</p> <p>You won't ever be alone</p> <p>Wait for me to come home</p>

	<p>And it's the only thing that I know (know) I swear it will get easier Remember that with every piece of ya</p> <p>And it's the only thing we take with us when we die Loving can heal Loving can mend your soul</p>
	<p>Where our eyes are never closing Hearts were never broken Times forever frozen still</p> <p>We made these memories for ourselves</p> <p>We keep this love in this photograph</p>
	<p>Holdin' me closer 'Til our eyes meet</p> <p>You won't ever be alone</p> <p>So you can keep me Inside the pocket Of your ripped jeans</p>
	<p>And if you hurt me</p> <p>That's OK, baby, only words bleed Inside these pages you just hold me And I won't ever let you go</p> <p>Wait for me to come home {4x}</p>
	<p>Next to your heartbeat Where I should be Keep it deep within your soul</p> <p>Oh you can fit me Inside the necklace you got when you were 16</p>

And if you hurt me
Well, that's OK, baby, only words bleed

Inside these pages you just hold me
And I won't ever let you go

Under the lamppost
Back on 6th street

Hearing you whisper through the phone,
"Wait for me to come home."

When I'm away
I will remember how you kissed me
