	(2) on this?
	there are two very fair offers and
one that seems expens	ive.
(4)	should only consider price.
	, the more expensive course
ncludes all materials pl	lus holding the training here.
So (6)	the more expensive option
also includes more?	
Exactly.	
(7)	We don't know the quality of
these courses — have v	we received any recommendations?
The more expensive co the cheaper options ha	urse is offered by an established institute but ve good marketing.
But if we take an all-inc	lusive package,
(8)	won't have any unforeseen costs.
True but we should me	et with the three companies first —
