Hey Youssef,

In your last email you asked me what I'd like 1) *to do* in 15 years' time. Well, I don't think I've 2) told you this but I have always wanted to become a doctor. Ever since I can remember, I have enjoyed 3) people. When people in my family have got 4) flu, I usually take care of them. I enjoy making tea and soup for them and I just love 5) them their medicine. I really enjoy programmes like *ER* and *Grey's Anatomy*, which are about doctors 6) hospitals. What about you? What would you like to be when you grow up? Write back soon!

Your friend,

Alexis
