

APPLYING FOR A DRIVING LICENCE

Henry is very annoyed. He is applying for a driver's licence, and he is upset about all the things he has to do.

First, he has to go to the Motor Vehicle Department and pick up an application form. He can't ask a friend to pick up the form, He can't ask for it by e-mail. He has to go to downtown and pick up the form in person.

Then, he has to fill out the form. He can't use a pencil. He has to use a pen. He can't use blue ink. He has to use black ink.

He also has to attach two photographs to the application. They can't be old photographs. They have to be new. They can't be large. They have to be small. And they can't be black and white. They have to be coloured.

Then he has to submit his application. He has to wait in a long line to pay his application fee. He has to wait in another long line to have an eye examination. And believe it or not, he has to wait in another long line to take a written test!

Finally, he has to take a road test. He has to start the car. He has to make a right turn, a left turn, and a U-turn. And he even has to park the car on a crowded city street.

No wonder Henry is annoyed! He is applying for his driver's licence, and he can't believe all the things he has to do.
