Personality, friendship

It's important to have a good friend. ONE good friend. It's even better to have three or four, but you shouldn't ecpect to have twenty really good and close friends.

Match the empty spaces in the following sentences with the appropriate words in the middle.

A good friend should be [1] _____. It means you can trust them. And I mean ***really*** trust: they won't tell your secrets or betray you in any way. Another important quality is [2] _____: a [3] _____ friend stays with you no matter what. They don't just change their mind and stop being your friend.

	friendship
reliable	
	straightforward
interests	
	rely
loyalty	
	trustworthy
humour	
	interested
loyal	

It is good to have some common [4] _____ with your best friends, but it isn't really necessary. My best friend, for instance, is really [5] _____ in chess. I don't care about chess, I'm more of an athlete. But we can talk about anything and laugh together. We have a kind of inside [6] _____ that no one else understands.

My best friend always tells me her opinion. She doesn't tell me white lies about my looks or the things that I do. Oh, no, she is very [7] _____. She told me my hair looked somewhat weird when it was a bit longer. My other friends »liked« it a lot, but later they all agreed it was a very good decision to have it cut.

It's good when you know your friend will always be there for you when you need them. Yes, a good friend is [8] _____. Of course, they can't solve all your problems, but even talking to someone is often enough. And I can always [9] _____ on my best friend.

I rhink [10] _____ is very important in our lives – where would we be withut our friends?

Complete each pair pf sentences with two adjectives with opposite meanings.
