Hi Fred!

How are you? Last weekend was great! We went camping in the countryside. On Saturday we flew our kites a lot and I climbed more trees than my brother Robert! In the afternoon, Robert rode his bike and I skated with my friend Helen! Robert was faster than me, but I skate more quickly than Helen! On Sunday our aunt drove us to the seaside. She drives well – much better than Uncle George, who drives fast. Then we all sailed a boat – it was very difficult! We did it badly. We fished in the sea. I was the best! It was the most exciting weekend!

Tell me about your weekend!
