The Parkers' living room is very nice and very big. When you come into the room, **you see two big windows** on the opposite wall. The windows have long, beige curtains on the side.

The Parkers love flowers and plants. **There are many plants** on the window sills and there is a little tree in a pot in the corner of the room. There is also a big green plant on top of a bookshelf.

Between the two, big windows**, there is a chest of drawers**. It is made of brown wood and has three large drawers. **There is a red lamp** on the chest of drawers. Next to the lamp, **there is a** small, white **TV**.

There is another lamp in the room. It is hanging from the ceiling in the middle of the room.

The Parkers like reading books. On the right wall, **there are two white bookshelves**. They are full of colorful books. There are also some pictures and other little things in the shelves. One of the bookshelves has three glass doors. The other bookshelf is open. Between the two tall bookshelves **there is a white sideboard with three shelves.**

There are three round **tables in the room. The dining-table is very big**. **There are four** white **chairs** around it and there is a light green table-cloth and a light pink table-cloth on it.

The coffee-table is also round and white and there is a light pink table cloth on it. The coffee-table is between a big, white sofa and two light-brown armchairs. There are lots of soft cushions and a pink blanket on the sofa.

There is a 3rd round table in the room. It is black and very small, and it is in front of the left window.

Next to the big sofa, **there is a big, white cupboard**. It is on the left wall.

The Parkers' living room has a wooden floor and **there are three carpets on the floor.** There is a big carpet under the dining-table and there is a small white carpet between the sofa and the coffee-table. There is another small carpet in front of the big bookshelf with the glass doors.

The walls in this room are white and there are three pictures on the walls. One picture is above the chest of drawers, between the two windows. It is light brown and has a golden frame. The second picture is on the wall between the two big bookshelves. It is above the sideboard. It's the picture of a lady in a reddish dress. The third picture is on the right side of the open bookshelf. It shows a blue, green and white sky and has a golden frame.

The Parkers' living room is really very nice and comfortable.
