# Drawing Pictograms #3

Read the table below to make the correct pictogram.

The following data table shows the number of trees of each kind in an orchard. Represent the tree data provided in a pictogram and use the key to answer the questions.

Trees			
Apple	Mango	Pear	Orange
35	20	25	50

= 10 trees

Type of Trees	Number of Trees
Apple	
Mango	
Pear	
Orange	

1. How many apple and mango trees are in the orchard? _____

2. How many trees are there in all? _____

3. Which type of tree is of LEAST number in the orchard? _____

4. Which type of tree is of MOST number in the orchard? _____

5. How many orange trees are there than pear trees? _____
