**Activity 2: Read the text and answer TRUE (T), FALSE (F)**

The screenshot shows a web browser window with the URL 'charitystories.com'. The page has a navigation bar with 'Home', 'Blog', 'Donate', and 'Contact'. The main content area features a large photo of a smiling young girl with long dark hair. Overlaid on the photo is a dark purple banner with the title 'A Charity Haircut' in white cursive font. Below the photo, the text of the story begins: 'Frankie was very excited to go to New York to see a show on Broadway with her parents. They had a big dinner in a fancy restaurant, more expensive than usual, and went to the theater. After the show, Frankie saw a homeless man. She was really upset to see this, so she bought him some cookies. The man was happy, but Frankie was happier. She liked to help people. And she wanted to do more.'

5 Frankie always saved her Christmas money. But this wasn't enough money to make a difference. So, with the help of Mom's credit card, she created a page on the internet to collect money. Then, Frankie asked people to send money for the homeless. If the total was over \$500, she promised to cut off her hair. But people donated more – a lot more. When she cut her hair, the total was \$2,500!

10 Frankie's hair was shorter, but she liked it. She donated all the money to a homeless charity to help pay their bills. But she doesn't want to stop. "I want to help children's charities now."
