

Topic: Identify and Order Main Ideas and Supporting details

Reconstruct these paragraphs by identifying and ordering the main idea and supporting details

If we are having a disagreement and she wants to make me angry she can.

Sometimes Jackie uses her hearing problem to her own advantage.

My sister Jackie is hard of hearing and needs to wear a hearing aid.

I find myself arguing emotionally but Jackie does not hear a word I say.

She simply turns off her hearing aid.

The screw is a simple machine.

A screw is also used to hold things together.

It permits movement from a lower position to a higher position.

It also moves in a circular manner. It, therefore, takes up less horizontal space.

The amount of force needed to secure a screw in a wall is less than that required to hammer a similar-sized nail.
