Read and answer the questions.

This is Tom, my uncle. He's a doctor, a person who helps you when you are sick. He is tall and thin. He works at the hospital near his house.

He gets up at seven o'clock in the morning. He takes a shower and puts his clothes on. Then he has for breakfast cereals with orange juice at half past seven. At eight o'clock, he goes to the hospital on foot.

He starts work at nine o'clock. He visits his patients in their rooms. At ten to one he has salad and meat for lunch. He goes home at quarter past six. Then he helps his wife cook dinner and he helps his children with their homework.

He has got one daughter named Mary and one son named Tom.

Then he takes a shower, has dinner and at quarter to ten he goes to bed. He is very tired when he goes to sleep.
