Welcome to Table Mountain. I am your tour guide, Kungawo. Come with me, and we will hike up Table Mountain. On the way, I will tell you everything about this place. Before we go, remember to bring _____ litres of water. It is a long way, and it is very hot. It will take us _____ hours to get to the top. If you do not want to hike, we can take the cableway all the way to the top. The cableway opened in _____ and can carry _____ passengers. Table Mountain is one of the New _____ Wonders of Nature. It is a very popular tourist attraction in South Africa. It is called Table because it is flat on top. It is _____ feet tall. When the clouds touch the top, we say the mountain has a table cloth on. There are more than _____ different plants on the mountain. There are also many animals on the mountain. One of the common animals is the dassie. It looks like a guinea pig, but it is larger. It can get up to _____ centimetres long. The dassies live in groups of up to _____ animals. I hope you enjoyed our hike to the top of Table Mountain. You are welcome to take the cableway down.
