

Classroom English

Four questions to ask at the beginning of the English class:

1) What's the date today?

→ Jour, mois + the (on le prononce mais on ne l'écrit pas) + ordinal.

⚠ the first = 1st - the second = 2nd - the third = 3rd -

On rajoute « th » aux autres chiffres (sauf ceux qui se terminent par 1,2,3).

Ex: Today is Monday, September 3rd (the third)

2) Who's missing (=absent) today?

Ex: xxxxx is missing. / No one is missing.

3) What's the matter with him ? / with her ? / with them ?

I think

I suppose

Ex: I presume } (s) is sick / they're sick.

I guess

Maybe

4) What is the weather like?

Ex: It's sunny and warm.

							
It is sunny	It is partly cloudy	It is cloudy	It is rainy	It is snowy	It is foggy	It is stormy	It is windy
