

Character Feelings vs. Character Traits

Character Feelings

Describe how a character
feels at a certain time

(feelings change often)

Character Traits

Describe the character's
personality

(usually seen through the
character's actions)

Directions: Read each of the adjectives (descriptive words) given
and decide if it is a character's **trait** or a character's **feeling**.

Adjective	Trait or Feeling ?
tired	
rude	
generous	
independent	
happy	
nervous	
scared	
smart	
bossy	
angry	
shy	
patient	
helpful	
sad
