

I'm with you – Avril Lavigne

I _____ on a bridge
I _____ in the dark
I thought/think that you'd be here by
now
There's anything/nothing but the rain
No footsteps on the floor/ground
I _____ but there's no
sound

Isn't anyone _____ to find
me?
Won't somebody come/come take me
home?
It's a damn cold/hot night
_____ to figure out this life
Won't you take me by the head/hand?
Take me anywhere/somewhere new
I don't know/understand who you are
But I, I'm with/on you
I'm without/with you

I _____ for a place
I _____ for a face
Is anybody/somebody here I know
'Cause nothing's _____ right
And anything's/everything's a mess
And no one wants/likes to be alone

Isn't anyone _____ to
find me?
Won't somebody come take me
house/home?
It's a damn cold night/evening
_____ to figure out this
life
Won't you take/get me by the hand?
Take me somewhere/everywhere new
I don't see/know who you are
But I, I'm with/without you
I'm with they/you, yeah, yeah

Oh, why is everything so

Maybe I'm just out of my head/mind

Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah

It's a damn cold/freezing night
_____ to figure out this
life
Won't you take/get me by the hand?
Take me anywhere/somewhere new
I don't know/understand who you are
But I, I'm with/without you
I'm with you

Take me by the _____
Take me _____ new
I _____ know who you are
But I, I'm _____ you
I'm with _____

_____ me by the hand
Take me somewhere _____
I don't _____ who you are
But I, I'm with _____
_____ with you
I'm _____ you
