After breakfast, I leave home at about eight o'clock and go to school by bicycle. I have lessons between half past eight in the morning and three o'clock in the afternoon. I have lunch with my friends at school. After school, I attend my music course at quarter past three and play beautiful songs with my guitar also I have a dance class. I usually arrive home at about five o'clock and watch some cartoons on TV. I do my homework and have dinner with my family. After dinner, I go to my room and listen to music. I sometimes go online and search information about my school subjects. I read an adventure book before I go to bed.
