

Timmy was 5 years old when he went camping with his family for the first time. Both his mom and his dad went camping a lot, even before he and his sister Kahila were born.

TIM WITH HIS FAMILY

Now Timmy is 7 years old and they are all camping together in the woods, by the footsteps of an enormous lake. They prepared themselves in advance. They have already set up a tent, they are dressed in their winter clothes and also have all the food they would need for a two weeks adventure in the woods.

CAMPFIRE BY THE LAKE

What Timmy likes the most is to sit by the campfire with his parents while his sister takes pictures. She loves taking pictures. Such beautiful memories!
