

Grammar Review Part 1

1. Do and Does in sentences to describe people

Al hacer preguntas para conocer la descripción física de las personas tenemos que usar correctamente DO o DOES en las preguntas. Por ejemplo:

- Do you have brown eyes?
- Does she have long hair?
- Do they have blue backpacks?
- Does he have black hair?

Activity: Make 3 sentences describing the next girl. (Physical look and personality)

2. Comparatives

Adjectives describe animals, people or places. Adjectives tell us about the size, color, shape, or personality.

Examples: big, small, tall, happy, short, etc.

The comparatives are useful to compare to objects or persons with one characteristic all comparatives end in -er.

→ We use '-er' to make the comparative and '-est' to make the superlative.

→ When there is a silent 'e' at the end of the positive form, we remove that and add '-er' and '-est'

POSITIVE	COMPARATIVE
Black	Blacker
Fair	Fairer
Clever	Cleverer

POSITIVE	COMPARATIVE
Nice	Nicer
Late	Later
Hate	Hater

Activity: order the sentences using the comparatives. Ordena los enunciados usando correctamente los comparativos.

- The /is/ mouse / a/ smaller than/ giraffe.
_____.
- A /is/ chocolate/ sweeter than/ a/ lemon.
_____.
- This /is/ ball/the/other/ bigger than/.

3. **Possessive Adjectives:** primero se nombra el objeto y al final a quién pertenece. Usamos los possessive adjectives para hacer enunciados más cortos y más entendibles sin repetir tanta información de los objetos.

I	Mine	He	His
You	Yours.	She	Hers
We	Ours	It	Its
They	Theirs
