Ten years ago, for example, a second balcony and a new staircase **(6)** ..... **(add)** and grandpa **(7)** ..... **(put)** new tiles in all bathrooms of the house. And last spring, after a terrible thunderstorm **(8)** ..... **(destroy)** large parts of the roof, it **(9)** ..... **(must / repair)**. While the roofers **(10)** ..... **(repair)** the roof, a new chimney **(11)** ..... **(build)** because the old one **(12)** ..... **(damage)** in the thunderstorm.

Every summer Frederic-George **(13)** ..... **(enjoy)** being outside, playing with Rico, the dog, or helping his grandparents.
