# Happy Birthday!

Do you have a favorite party game that you like to play in your birthday? In Mexico and other Latin American countries, children often celebrate their birthdays with a *piñata*. First, the children form a circle and sing a funny song, which makes them laugh. Then, children take turns to stand in the middle with their eyes covered. The child in the middle has to use a stick to hit the *piñata*. Suddenly, there is a loud CRAHS! The *piñata* breaks, and lots of candy falls on the floor. The children stop singing and run to pick up the candy. It's a wonderful party game. Happy Birthday, everyone!
