Dear Robert,

Hello! Thank you for your email.
I'm fourteen years old and I'm in first year at secondary school. My birthday is in June. We study Spanish and English on Monday, Thursday and Friday.

My family is small. We're Mexican. My mum works in a restaurant; she's Monica and my brother works at bar. My sister is fifteen and her name is Teresa. My little sister is Elena. She is six years old.

I like rock music but my favourite music is reggaeton, a typical Puerto Rican music. My favourite subject at school is Maths and my favourite sport is gymnastics but I also like football very much.

I attach a picture of me.

Best wishes,

María
