

Arrange the sentences in sequential order to form a paragraph.

Use the sequencing words to help you.

At last, I arrived at the Christmas party and had a wonderful time. I even ended up making new friends!

Afterwards, I decided to call my sister, but she did not feel like going out. I was a bit disappointed, but I thought about one more thing I could do.

It was Christmas time, and I wanted to go out. I needed some friends to go out with.

First, I called my friend Indie, but she already had plans. She told me that I could not come along, so I felt sad.

I made up my mind to go out by myself.

"Friends at Christmastime"
