

[UNIT 6. FUTURE JOBS]

VOCABULARY

Full Name:

Class:

* Use the correct form of the word in brackets to fit each gap.

Choosing the right career to suit your (1) _____ (personal) and one that lives up to your (2) _____ (expect) can be rather difficult. We usually take certain factors into (3) _____ (consider) when making such a (4) _____ (decide). First of all, what are the (5) _____ (require) of the job? You need to find out what (6) _____ (qualify) are necessary before you hand in your (7) _____ (apply) form. Then, think of your career prospects and consider whether there is ample opportunity for (8) _____ (promote). Finally, you need to decide on the level of (9) _____ (responsible) you would be happy with and whether you will achieve a sense of job (10) _____ (satisfy) equal to the work you put in.
