

HUNGER GAMES: CHAPTER 8

FIRST

THEN

NEXT

FINALLY

Haymitch tells Katniss that Peeta has now asked to be trained separately from Katniss.

Katniss wakes up and remembers the time when she first met Gale.

When it is time to find out the tributes scores, most of the career tributes get an 8 to 10, but Katniss is given an 11!

Katniss runs back to her room and starts crying because she thinks she has messed up with the Gamesmakers.
