Subject Greetings from New York

Hi Christy!

I'm having a great time in New York. There is so much to do and so many great shops.

I (go) shopping every day. I (buy) two new T-shirts, a skirt and some beautiful shoes.

We (visit) some of the most famous places including Manhattan and the Empire State Building. I never (see) so many tall buildings before. We (not go) to central park, because it (rain) every day. But it doesn't matter. We have got a few more days here.

you ever (watch) American Football? My uncle Fred (give) us some tickets to a game tomorrow. I really don't understand it at all!

See you next week. I (forget) it's your birthday and of course I (find) something I just know you'll love.

See you soon,

Jenny
