

Common mistakes

For August, I booked a **journey** to Greece with my wife.

I hope you will have a good **fly**.

For short **tours** to the shops, I think everyone should ride a bike.

It would be a good idea to have a **travel** to Paris.

I easily got an **airplane** to Tokyo.

We stayed at a **camping** near a lake called Siljan.

During the **journey** I did surfing and photography.

It was early so I went on a **trip** round the museum.
