

## Building an argument: Linking words.

### Drag and drop the linking words into the text.

There are several reasons why I don't think reading is a good hobby to have.

\_\_\_\_\_, I think reading is an antisocial activity \_\_\_\_\_ it is something people do alone. \_\_\_\_\_, when you are reading you are not communicating. This means there is no need to speak.

\_\_\_\_\_, when people tried to social network books, it didn't work.

\_\_\_\_\_, you can talk about books with others later. You could \_\_\_\_\_ argue that reading develops vocabulary and grammar.

\_\_\_\_\_, reading is an indoor activity \_\_\_\_\_ it is bad for your health. Too much time indoors reading can damage your eyes.

\_\_\_\_\_, some people say it is good for your mental health \_\_\_\_\_ it keeps your mind active.

\_\_\_\_\_, it is an old fashioned way of spending time.

\_\_\_\_\_ the number of people reading on kindle or not reading at all.

\_\_\_\_\_, I believe that \_\_\_\_\_ there are some good reasons for reading, it is not a worthwhile hobby.
