## PRACTICE 3

### 1) Read and write T (true) or F (false)

Hi! I'm Grace. I love going to school. I usually go to school by car. My mum has a red car and my dad has got a blue one. I go to school with my mum.

I like geography. It's my favourite subject because I'm very good at remembering the names of countries, rivers and mountains. I don't like PE because I don't like running all the time. I get tired. And I'm not very good at doing sports.

In the summer, we usually visit different cities. I love that. When I grow up I'm going to travel the world. I'm going to visit the pyramids in Egypt, the Great Wall of China and the Taj Mahal in India. I want to visit all the countries in the world because I want to be a geography teacher!
